

Wildfire After Action Review

Region: South Slave Date: Fri., Sept. 13, 2024
 Fire Number: SS048-24 Staff Present: Kylan Antoine

1. What was the plan? Talk about size-up, each person's roles going in to the fire.
Assist with logistics. At first, came as LSC then Chris came in and I then went into GSUL. Tasks; do as instructed, received the briefing and did fuel, grocery, equipment, commissary runs to Hay River.
2. What Actually Happened which caused us to deviate from the plan, and why did that happened?
Was a lot of driving each day, two trips a day for most part. Everything went smooth. Having camp help was good. Meet with camp help and cooks daily.
3. What are we going to do better next time?
Didn't mind the daily trips. ICS 100-300 has done Feb. 20204.

Facilitated by: Raelene Lamalice Manager Approval: IC, Jason Currie:

This form must be completed within 24 hours of action on a fire ending and must be approved by the Manager of Forests and uploaded into the fire file in SPARCS.

Fire crews, aircrew, clerks, warehouse staff and supervisors should all contribute to the AAR whenever possible.

Only one form per fire.

To add additional information use the back side of this form or attach a piece of paper.
