

FMD AFTER ACTION REVIEW	
Region: Sahtu	Date: Aug. 01, 2021
Operational Period: 10:00 - 19:00	Group Briefed: Sahtu 1
Fire number: VQ018-21	Location: Norman Wells

What was planned?

set up sprinkler kit around ENR cabin on Kelly Lake

What was fire weather and fire behaviour?

23C; winds NE15 G25

What actually happened??

sprinkler kit set up around ENR cabin on Kelly Lake by 3 members of Sahtu 1

Safety issues or concerns:

*hazards and incidents require separate reporting on the appropriate form*

smokey conditions but no safety concerns during sprinkler set up; comms was difficult being on opposite side of mountain but used inReach and it worked good

Follow up or corrective actions:

area is a known issue for comms difficulty due to being in shadow of mountain - should send a sat phone with crew in that location;
