

Wildfire After Action Review

Region: North Slave

Date: 09/11/25

Fire Number: ZF046

Staff Present: YK-15 + Brad fire investigator

1. What was the plan? Talk about size-up, each person's roles going in to the fire.

~~People~~ Tliche
 - Fire was called from a canoe's went out their with LH2 to go
 Do an assessment of the fire & see if they need help moving
 People or gear away from fire if their isn't much

2. What Actually Happened which caused us to deviate from the plan, and why did that happened?

- Got to the coordinates & their was a fire about a hectare in size,
 the Canoe's were all some away from the fire about 1km up stream
 but all their tents were all set up with all the garbage everywhere.
 - Went to land & talk to the canoe's they said they evacuated around
 03:00-04:00 AM
 - On August 7th Myself plus brad fire investigator went to go investigate
 the fire since it was a man caused incident

3. What are we going to do better next time?

- No Comment
