

Wildfire After Action Review

Region: North Slave Date: 09/10/25
Fire Number: ZF048 Staff Present: RAE-3 YKIS

1. What was the plan? Talk about size-up, each person's roles going in to the fire.
- Fire found outside of whati around 20:00 - CREW TO Action Fire next day, Tanker to work all night
2. What Actually Happened which caused us to deviate from the plan, and why did that happened?
- 4 crews started attacking fire but drought code were in the 700's growing to the 900's - First night tanker only did one run, they didnt want to do another run the first night - Had to switch switch to - Fire got to big for current resources Value protection Whati Burn out - Whati burn out was done then mopped up
3. What are we going to do better next time?
- Request for more crews
